

This **112 Day**, we want to celebrate those who go the **extra mile to keep citizens safe**. We're inviting all European countries to organise a **112 Awards Ceremony** and share with the world your **national heroes**.

When?

11 February 2020: 112 Day

Who?

Good people and organisations doing good deeds!

The campaign gives visibility to those dedicating their time to keep us safe and celebrates their work and achievements. We're inviting you to choose your heroes!

Why?

It will **highlight fantastic people doing incredible work** every day, including those whose work is often kept in the background or whose actions are not rewarded.

It will help **motivate citizens to do good** and highlight the **amazing work of public safety professionals**.

What?

1. Create your own 112 Awards Ceremony on 112 day (11th February 2020);

1.1. There are no rules (you can choose how many awards you will hand and the place of the celebration). The most important is to recognise our Humans of 112. The ceremony could be anything from giving a certificate to a local hero to handing several awards like at EENA's 112 Awards Ceremony.

2. Praise your national heroes;

3. Use your Ceremony to give media attention to the ones doing incredible work everyday by sharing your ceremony with your **local press**;

4. See your ceremony highlighted at the EENA Conference 2020.

5. Use the hashtag #HumansOf112 and tag us so we can help share your ceremony:

-Twitter: [@112_sos](https://twitter.com/112_sos)

-Facebook: [European Emergency Number 112](https://www.facebook.com/EuropeanEmergencyNumber112)

-LinkedIn: [EENA 112](https://www.linkedin.com/company/eena-112)
