

# #HumansOf112

## Join the 112 Day campaign !

This 112 Day, we want to celebrate all those working in the emergency services field. We're inviting you all to get involved and share what your job means to you.

### When?

11 February 2019 : 112 Day

### Who?

From paramedics, telephone operators, firefighters and police officers, to search & rescue helicopter pilots, CPR trainers and disaster planners, we're inviting **everyone working in the emergency services chain** to get involved. However you contribute to the emergency services chain, we want to hear your voice!

### Why?

The campaign will give more visibility to those dedicating their time to keep us safe and celebrate their work and achievements. It will highlight fantastic people doing incredible work everyday, including those whose work is often kept in the background. It will help others to understand the rewards and challenges of their jobs and to be inspired by their work and motivation.

### What?

1. Take a photo of yourself (or with your colleagues) in the world environment/uniform.
2. Add a message... Think: *What does my job mean to me? What inspires me to work in this job? What motivates me every day to help others? What are the most rewarding and challenging things about my job? What experience from my work would I like others to know about?*
3. Post your photo and message on social media (e.g. Twitter, Facebook, Instagram )
4. Make sure to use #HumansOf112 !
5. Tag us so we can help share your message:

-Twitter: [@112\\_sos](#)

-Facebook: [European Emergency Number 112](#)

-LinkedIn: [EENA 112](#)

### Any questions?
