

112 Awards Ceremony 2022

27 April, Marseille

CALL FOR APPLICATIONS: NOW OPEN !

The 112 Awards Ceremony celebrates **modern-day heroes**. From incredible rescues and inspirational acts by citizens and emergency services, to public safety innovations and the use of technology for good, we reward those going beyond the expected to help people in danger.

The next ceremony will take place in **Marseille, France** on **27 April 2022** in front of emergency services and public safety representatives, researchers and public authorities. **We'll celebrate achievements and inspire others !**

CATEGORIES:

This year, three categories are open for applications:

- **Emergency Control Room Achievement**
- **Extraordinary Call Taker/Dispatcher**
- **Open Category** (This category will award a citizen or organisation that has done a small or big deed to help improve the safety and security of others)

PROCEDURE:

Please fill in the online form and submit it before 12 December 2021. The final selection will be made by EENA team and awardees will be notified as soon as possible.

If you are nominating a person or organisation, you should include your own details in the online form. The details of the nominee should be included in the *Application Description*.

DEADLINE:

12 December 2021

IMPORTANT:

Please make sure that your story corresponds to the category you are applying to. Please **read carefully the guidelines on the following pages before applying**. Applications may be rejected on grounds of lack of relevance.

For any queries, please contact Marta Azevedo Silva: mas@eena.org

APPLICATION GUIDELINES

EMERGENCY CONTROL ROOM ACHIEVEMENT

DESCRIPTION OF CATEGORY

Applications to this category may refer to either a remarkable innovation/use of technology or an extraordinary accomplishment. The innovation/accomplishment should have been implemented by an Emergency Control Room or an administration in the field of emergency services. This innovation/achievement should have contributed to the safety of citizens and to the progress of public safety.

Examples could include: implementation of new technologies to save lives, modernisation procedures, a major reform of the emergency call handling process, development of new tools to address major issues relating to emergency calls, a remarkable management of a crisis or disaster, a notable cooperation between emergency services in different regions or countries (list not exhaustive).

APPLICATION GUIDELINES

Please apply for this category using the online form. The *Application Description* should be uploaded as a **PDF file** in the final section of the form. Maximum file size 500MB.

In the *Application Description* section of the application, you should:

- Elaborate on the context and process of the innovation/achievement
- Explain the extraordinary nature of the innovation/achievement
- If relevant, please elaborate on the impact of the innovation/achievement, describing any relevant legacy
- The contact details of the nominee (if applicable).

WORD LIMITS

Application title: 10 words maximum

Application: 500 words maximum

APPLICATION GUIDELINES

EXTRAORDINARY CALL TAKER/DISPATCHER

DESCRIPTION OF CATEGORY

This category will award call taker or dispatcher who has contributed to saving one or several lives by going beyond the expected in their role. The call taker or dispatcher should have demonstrated an act of extraordinary bravery or responsibility.

Examples could include: remarkable management of a crisis or stressful situation, using innovative methods to help someone in need, a notable cooperation between different parties, going beyond the expected to save someone's life (list not exhaustive).

APPLICATION GUIDELINES

Please apply for this category using the online form. The *Application Description* should be uploaded as a **PDF file** in the final section of the form. Maximum file size 500MB.

In the *Application Description* section of the application, you should:

- Describe the extraordinary nature of the call
- Elaborate on why the response of the call taker or dispatcher was outstanding
- Explain why the intervention of the emergency service was extraordinary
- The contact details of the nominee (if applicable).
